TAILGATE OPENING WIDTH	60.0 (1,525)	60.0 (1,525)

Notes regarding the payload and towing charts above: numbers in **black boxes** reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in lb unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload = GVWR - Base Weight. 5. Trailer Weight Rating (TWR) and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807. Passenger Weight = 300 lb. Options Weight is option content above 33 percent of sales volume. Trailer Equipment Weight = Class IV Hitch Receiver is 11.1 lb (if not already included in Options Weight). Trailer Hitch is 10 lb if TWR is less than or equal to 5,000 lb, and 65 lb if TWR is greater than 5,000 lb. 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GAWRs, GVWRs and GCWRs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. 9. Weight-Distributing Hitch is recommended for trailers over 5,000 lb.

Ram 1500 TRX in Billet Silver Metallic/Diamond Black Crystal Pearl features Off-Road Style Running Boards, RamBar and Off-Road 5-inch LED Light Kit

AUTHENTIC RAM TRUCK ACCESSORIES

When it comes to your 2024 Ram 1500, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Ram Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can customize your truck with complete confidence. Learn more at mopar.com
